

ELECTRICAL

## 3rd or 4th Year Apprentice

Louisville, KY

### About Us

Join A Total Solution LLC, a leader in electrical services for commercial and industrial clients. We're committed to excellence, safety, and career development.

### Job Summary

A Total Solution is seeking a skilled and dedicated 3rd or 4th year apprentice to join our team. The ideal candidate will have the knowledge and expertise to handle various electrical projects, ensuring safety and compliance with local codes.

### Key Responsibilities

- Assist licensed electricians in the installation, maintenance, and repair of electrical systems and equipment.
- Read and interpret blueprints, schematics, and technical drawings.
- Help in troubleshooting electrical issues and performing necessary repairs.
- Maintain a clean and safe work environment in compliance with safety regulations.
- Participate in on-the-job training and learning opportunities.
- Contribute to team efforts by completing assigned tasks and supporting colleagues when needed.

### Qualifications

- Must be a 3rd or 4th year electrical apprentice, enrolled in a recognized apprenticeship program.
- Basic knowledge of electrical systems and safety procedures.
- Ability to work at heights and in various weather conditions.
- Ability to work independently and in a team environment.
- Excellent problem-solving skills and attention to detail.
- Strong communication and customer service skills.
- Ability to lift heavy equipment and work in various environments.

### Benefits

 \$23+/hour plus performance-based incentives

 Health, dental, and vision insurance available

 401(k) plan with company match

 Paid time off and holiday pay

 Ongoing training and professional development opportunities

### How to Apply

Interested candidates are invited to submit a resume and job application detailing their experience and qualifications to [info@atotalsolutionllc.com](mailto:info@atotalsolutionllc.com)
